Song Saa Private Island Resort At Koh Rong, Cambodia

In the sapphire waters of the Gulf of Thailand, Cambodia's islands nestle like dazzling natural jewels. Song Saa Private Island lies secluded in this magnificent seascape, just 30 minutes by boat from the international airport of Sihanoukville. Most of the islands remain undeveloped – deserted oases of virgin rainforests, tropical reefs and glistening white beaches. As a guest you will be among the first foreigners to experience this beautiful, untouched world where rare hornbills will land on your balcony. In these private intimate settings you will lose yourself in the natural world. No intrusions, No work, Nothing but play. While Cambodia's islands share the same dazzling qualities that made Thailand's islands so famous, they remain a truly unspoiled paradise. If you visit Koh Samui or Phuket before Thailand's tourist boon, you would have a sense of what Cambodia's islands have to offer. While Cambodia's islands will see some growth we are committed to maintaining the natural assets that make this location so unique. If you are in search of a truly private tropical island experience where you can forget the bustling world, few places rival Cambodia's islands.
