Soneva Kiri By Soneva Resorts At Koh Kood, Thailand

Remote but accessible aptly describes the Thai island of Kood, on which Soneva Kiri is set amidst the lush tropical rainforest, off the south-east coast of the Gulf of Siam. International guests are personally met on arrival at Bangkok's airport and transferred to the resort's own airplane for the one-hour flight to the Soneva Kiri airfield. From the air, the beauty of untouched Thailand and Koh Kood, with its white sandy beaches is immediately evident. Soneva Kiri has 42 pool villas along the beach front and on the hillside, plus Junior Beach and Cliff Retreats, The Private Beach and Cliff Reserves, and The Green House. Accommodation is spacious and simple, yet sophisticated, and is enhanced by continually embracing innovations resulting in the creation of unique experiences blending luxurious lifestyles with spectacular panoramas
