

ESKAYA BEACH RESORT & SPA, PANGLAO ISLAND, BOHOL

Eskaya Beach Resort is a heavenly retreat in an unspoilt part of the Philippines, at the southernmost tip of Bohol. Encompassing 39 glorious acres with just 15 thatched villas, a large private beach, the most mesmerising infinity swimming pool and villas with private pools, this is truly tropical Eden.

With its 15 spacious thatch-roof villas dotted through the reaches of a leafy waterfront property in the Philippines, Eskaya Beach Resort offers exotic seclusion with luxurious modern amenities. Located on lush Panglao Island, famous for its coral reefs, Eskaya is ideal for oceanfront frolicking: play some beach volleyball or badminton, try jet-skiing and snorkeling. Or book a trip out into the turquoise waters in search of Flipper with some dolphin-watching. Each single-detached villa, built with supple, glossy indigenous bamboo and Filipino wood, ushers you gently into island life. Relax in your built-for-two hottub or dive into your private pool, or indulge in sunset cocktails while gazing out to sea. Delve further into relaxation with a short walk up the hilltop to Handuraw Spa, and get blissed-out with Asian spa treatments. At the end of the day, indulge in a dreamy dinner at Lantawan Restaurant, overlooking the resort's infinity pool and the open ocean.
